Subject: Dimock Presentation to the OSCs at Angola
Attachments: Dimock Residential Groundwater Site - Angola Presentation.pdf

Rich/Kelley,

Attached is the presentation I prepared for the Region V OSC Training in Angola, IN. Although I was asked to not show the slides, I think you both should have them, to be sure that we are consistent in our documentation of the events during the site management. I consider this a final document. I presented this information orally to the OSCs present on March 14, 2013 at the training session.
